Sir,

In G.O.No.2403, P. H., dated the 15th October 1934 the Government have fixed the grades of and the scales of salaries and allowances payable to the Local Board Officers and servants in the Medical Institutions under the control of the District Boards and Panchayats and have requested the Municipal Councils to adopt the above designations, grades, etc., for the municipal medical officers and servants as well. As instructed in para 8 of

G. O.

G.O. one month's notice was also issued to the existing incumbents. The G.O.was placed before the council meeting on 26th November 1934 but was made to lie over and was subsequently referred to the Financial Committee for report. It was finally placed before the council at its meeting on 15th February 1935 when the scales of pay etc. were adopted by the council with effect from 1st November 1934.

2 A copy of the Proceedings of the Finance Committee and of the Council's resolution on the subject are enclosed. pp 6-8 urfm

3 Out of the three doctors in the institutions under this council two are Licentiates in Indian Medicines (L.I.M.) holding diplomas from the Government School of Medicines,Madras and the third has passed the " Ayurveda Bhushana " Examination of the Madras Ayurvedic College in 1925 - None of them had been registered in the register of practitioners of Indian Medicine, though all the three had applied for it long ago. The President, Central Board of Indian Medicine however informs me in his letter dated the 26th January 1935 that of the three the two who have passed the L. I. M. examination have been registered in the "A" class, while the third has been recommended for registration in class "B". As the fact of registration was intimated only on 26th January 1935, I request to be informed if the two who are registered in "A" class are to be paid at Rs.40/- only for January as well or whether they are to be paid at the new scales and if so for the full month or only from 26th January 1935. I am however addressing the President, Central Board of Medicine to inform me the date from which they should be deemed to have been registered.

4 In G.O.No. 2852 P.H., dated the 11th December 1934 Government have directed that pending the result of the application for registration, the medical officers should be granted the minimum

pay of

pay of Rs.40/- from 1st November 1934. As the scales proposed in G.O.No.2403 P.H.,dated the 15th October 1934 had not then been adopted by this council, the Doctors under this council were paid at the existing rates for the months of November and December. I request to be informed if the pay drawn by them in excess of Rs.40/- should be ordered to be refunded.

5 The Medical Officers are now being given a house rent allowance of Rs.10/- per mensem. As G.O. No.2403 P.H., dated the 15th October 1934 does not contemplate the payment of such an allowance I request to be informed if the house rent allowance could be paid in future and whether the allowances paid for November and December should be recovered from the doctors concerned. The council is of opinion that the allowance should be continued and requests that Government may be pleased to sanction the same.

6 As ordered in G.O.No. 2648 P. H.,dated the 14th November 1934 a statement in the prescribed form, of cases in which the council considers that there is hardship in giving effect to the orders in para 3 of G.O.No. 2403 dated the 15th October 1934, is appended. As stated above, of the three doctors, two are licentiates in Indian Medicine, while the third has passed the Ayurveda Bhushana Examination of the Madras Ayurveda College in 1925. The council is unanimously of opinion that the case of the third deserves special consideration. He was a permanent employee under the Coimbatore Taluq Board drawing Rs.50/- besides free quarters and was appointed under this council on the same pay and a house rent allowance of Rs.10 in 1927. He has been drawing Rs.75/-, the maximum of the scale o pay till now in force, from August 1932 and has had no increments since then. In view of his service under the council for over

a period of

a period of 7 years the council feels that his is a case of hardship and recommends that as a special case he may be given Rs.75/- The President of Central Board or Medicines however states that he has been recommended for registration in the "B" class only.

2. The council also recommends that the two compounders who are now drawing Rs.19/- may be allowed the difference of Re.1/- as special pay.

Your obedient servant,

C.R. Ramachandra Iyer.

22. Read Commissioner's note in respect of the council's resolution No.12, dated the 21st January 1935 accepting the -- designations, grades, salaries and allowances, etc., payable to officers and servants of Institutions of Indian Medicine under ---the control of the Local Bodies.

The council adopts the designation, grades and scales of salaries for municipal medical officers and servants suggested in the G.O.No. 2403 P. H., dated the 15th October 1934 with effect from 1st November 1934.

In view of Mr. I. K. P. Sharma's 8 years' service under the council and 2 years under the Coimbatore Taluq Board and the fact that he was specially brought over to Mangalore from the ---Coimbatore Taluq Board on the distinct understanding that he would be paid the existing scale of pay, and in consideration of the fact that he was actually drawing the maximum pay of Rs.75/- with effect from 1st July 1932, the council feels that his is a case of real hardship and sanctions subject to the approval of Government, the difference of Rs.35/- between his present pay and the maximum in the existing scale of pay, as a personal pay.

Two of the 2nd grade compounders Messrs: Krishna Rao and Luis J. Pais are at present drawing Rs.19/- i.e. Re.1/- more than the maximum scale of pay now adopted. The excess will be allowed to them as personal pay subject to the sanction of Government.

The council also recommends that the medical officers in

charge

charge of each of the three municipal ~~xxxxxxxx~~ dispensaries be allowed ~~xx~~ a house rent allowance of Rs.10/- per month as hitherto.

The Comsr. reports that there are two Ayurvedic Officers viz. d.i.ms. Qualification (one non d.i.ms d.i.ms) employed under the Govt. & that there is another registered in class "A" in January 1935. Govt. no. 2852 Dlb dt 11.12.34 & thus shall be entitled the result of their application for registration Ayurvedic Officer in charge of Dists of Indian medicine should be paid the minimum of with effect from 1.11.34 Rs 40 in the scale of Rs 40-3/2-70 prescribed for persons registered in class "A". The Mangalore Govt. however did not act accordingly to their order but paid the practitioners in spec

according to the old scales adopted by the Municipal Council for November & Dec. 1934. The Commr. requests directions as to whether the amount paid to them in excess of Rs. 40 should be recovered from them.

3. The orders in Govt no 2403 Dis dt 15.10.34 apply only to Local boards: but municipalities were asked to adopt the scales in the orders in respect of the Municipal Staff. The scales prescribed in Govt no 315 Dis dt 11.2.35 apply to the Municipal Councils & they have a Statutory force on the Govt. This order came into force on 1.3.35. Hence the question of recovering any excess paid to the practitioners with reference to Govt 2852 Dis dt 11.12.34 does not arise

(S)

The amount which should be given as A or B personal pay depends upon the class in which he should be placed. The scale of pay admissible to the Asst. Surgeon in charge of the Indian Medicine are Rs 40-3/2-70, & Rs 40. The Asst. practitioner was drawing Rs 75 if he is registered in class A his personal pay will be Rs 5, if he is registered in B class his personal pay may be Rs 35. It is therefore submitted that his personal pay cannot be fixed now before he is registered in class A or B. The draft already submitted is for approval
